Business Professionals of America Regional Leadership Conference was held at CMR, January 15, 2018. 25 high schools and approximately 300 students from around the region competed in various business competitions. The following are the results in which all 13 CMR BPA members placed and qualified to attend the State Leadership Conference to be held in Billings, MT; March 11-13th. The CMR High School students walked away with 6- 1st place finishes and all 13 members qualified in 19 various events for the State Conference this March in Billings.

"We were thrilled to see our students perform so well and looking forward to the competition in Billings," commented BPA Advisor Jessica Goosen.
