

Great Falls Public Schools

Good Apple Award Recipients

Shannon Marr, GFC-MSU, Lacey Hallett, United Way, Trnell Blazio, United Way, Gary Owen, United Way, Marjorie Hahn, MAFB, Holly Wick, MAFB, Joe Ferda, EMS Counselor, Carly Swingley, EMS Counselor, Joel Auers, EMS Student Advocate, Heather Dahley, NMS Counselor, Lori Ostberg, NMS Counselor, Durbin Widhalm, NMS Student Advocate, Brad Barringer, EMS Principal, Steve Yates, EMS Associate Principal, Tara Rosipal, NMS Principal, and Jamie McGraw, NMS Associate Principal, were recommended for Good Apple Awards by Tom Moore, Assistant Superintendent 7-12, District Office Building, because of the following: On October 25, 2018, East Middle School and North Middle School hosted an annual Career Fair for over eight hundred 8th grade students at the respective schools. This event requires huge collaboration with two hundred plus-community partners, communication with multiple entities, and detailed organization on behalf of the school district and our United Way-Graduation Matters staff. These individuals and their organizations deserve a huge **“thank you”** and a GFPS GOOD APPLE Award for their great work in organizing this successful event again this year. These dedicated professionals began planning this event last spring and worked hard this fall to bring the community business representatives and other volunteers into our schools on October 25th. In the afternoon, some 8th grade students visited Malmstrom Air Force Base for a tour and a demonstration of career opportunities with the U.S. Air Force. This event was coordinated by Ms. Marjorie Hahn at MAFB. In addition, many students were able to attend the “Life Event Expo” at the fair grounds to learn about a variety of Career and Technical career fields from local community business partners. This event was coordinated by Shannon Marr and her staff at Great Falls College, MSU.
