

STUDENT SAFETY PRECAUTIONS FOR WALKING TO AND FROM SCHOOL:

- Students should walk in groups or pairs
- Students should travel on a designated route, and parents should know the route their student is taking
- Students should check in with a responsible individual when they arrive at home
- Students should be taught to always be aware of their surroundings
- Students should avoid alleys on their designated route to/from school
- Students should walk on designated sidewalks and in well-lit areas
- Parents should notify the school when after-school procedures change
