Major Gift to CMR Expansion Project

WHAT: The Great Falls Public Schools (GFPS) Board will be holding a special board meeting to consider a naming request from the GFPS Foundation on behalf of the Thurber Family who will make a substantial gift to enhance the new fitness center at CMR High School. In recognition of the contribution, the family has a request for signage on the inside and outside of the building, which needs GFPS Board approval.

Construction and refurbishment of GFPS facilities resulting from the bond levy passage has generated interest from community members to make donations to further enhance the new buildings and remodels. The contributions often come with a request to recognize the donors.

The Foundation has recently facilitated these type of gifts for the soccer field at Memorial Stadium and Giant Springs Elementary School Media Center.

There will be an opportunity to meet with the Thurber Family and view drawings of the proposed signage.

WHEN: June 19, 2018
3:30 PM

WHERE: GFPS District Office Building
1100 4th Street South
Aspen Conference Room

WHO: Andrew Davidson, Chair, GFPS Foundation
Jan Cahill, Chair, GFPS
