Groundbreaking Ceremony for Great Falls High School Construction

What: Great Falls Public Schools will conduct a groundbreaking ceremony for construction and renovation at Great Falls High School. This project includes the new Hub Building between Main Campus and South Campus with construction of new teaching areas, and the remodel and upgrade of classrooms. It also includes mechanical and electrical updates, safety components, and technology needs at GFH. This is a \$37 million project, which is due to the generosity of the citizens of Great Falls when they passed a \$98.9 million bond issue in October 2016.

Below is the timeline of events.

When: May 21, 2018
3:30 PM

Where: Great Falls High Auditorium
