

What support is available if my child does not speak fluent English?

Great Falls Public Schools works to best meet the needs of English Language Learners, both Limited English Proficient (LEP) and English as a Second Language (ESL) students. The district has established a framework to guide staff in recognizing needs and support available for English Language Learners. Classroom teachers are supported by a part-time ESL teacher and Title Teacher on Special Assignment. For more information, visit the District's [English Language Learner Services](#) webpage.
