Youth Art Month Show at the State Capital: March 1-March 30 (GFPS work included).

Thank you for your continued support of the Arts in our public schools and in the community of Great Falls. We do amazing things with and for kids every day in the schools, and the Arts are a huge part of their complete education. The Arts also enrich the community in which we live, play and work. It is a BIG DEAL to have a strong Arts program in our schools, and we need to keep working on enhancing and growing these kinds of opportunities for our kids. So please come out and help us celebrate our amazing programs with these events!

Sincerely,

Dusty Molyneux
