

Great Falls Public Schools Board Meeting  
Monday, April 23, 2020

Great Things Happening in Great Falls Public Schools  
6th grade writing prompt:

*Write about something or someone that you are grateful for today and explain why.*

“The reason i am grateful for today is because there are many scientists working diligently and hard around the world developing and researching a vaccine for COVID-19. Another reason I'm very grateful for today is because I'm relatively healthy and my family is healthy. I am grateful for teachers still working hard at their homes to provide a future for others. I'm grateful for workers and companies helping in this time of emergency and providing for the public. Nobody should ever take their life for granite.”

## Remote Learning: Data taken on Friday, March 20, 2020

### Principal Facebook morning announcements:

<https://www.facebook.com/jennifer.martyn.12/videos/10222002488641041/>

### Interesting Facts:

- 62% for elementary families chose packets
- This number increased after a couple days as parents found they only had one device at home for families to access their assignments.

- Some schools are reading a story to their students and posting on Facebook.
