Great Falls Public Schools Childcare
For Health Care Workers and First Responders, Grocery
Workers, Essential GFPS Staff and other Emergency Staff

What: Childcare for elementary school children of Great Falls whose parent(s) are on shift in a critical safety or health job, are grocery workers or essential GFPS employees.

Who: HANDS personnel along with regular Great Falls Public Schools employees, paras, teachers and administrators will provide childcare.

Why: We will work together to ensure that our critical medical and safety employees, grocery workers and essential GFPS staff are able to work in Great Falls.

When: HANDS centers are open from 6:45 am to 6:00 pm

Where: Three elementary schools--Lewis and Clark, Meadow Lark, and Loy. Additional schools will be added as parents enroll their children. Schools will be added in this order: Valley View, Lincoln and Sacajawea. Call the number below to see which schools are available.

Just in case: If you are an employee in a critical health or safety job and your child *may* need childcare, please fill out the form below to make enrollment easier when you do need it.

Bring with you: Letter from your employer stating the critical need for you to be at work and your work ID.

To Register: Go to the url or QR Code below and complete the form.
