

## Great Falls Public Schools Good Apple Award Recipients

**Paul Culbertson, Associate Principal, Great Falls High School**, was recommended for a Good Apple Award by Beth Gerhart, Bob and Jo Ann Roach, Lyall and Kathy Tesch, former GFPS employees, because of the following: We were part of a small group of former GFHS employees to be taken on a tour of GFHS by Paul. He took his time to share his vast knowledge of the building and its evolution over the years. Besides showcasing the new addition, he shared a great deal of history with regards to the rest of it as well. His institutional memory and stewardship for all that is GFHS makes him quite an asset to the District
