

Spectators/Passes: Visitors at GFPS Athletic Events

As of 9/11/2020, 2 spectators for each visiting participant in uniform will be allowed entrance to the facility.

- Visiting teams will submit a travel roster prior to the event that will be at a designated entry point for visitors.
- Parent/family of visiting team will be asked to indicate which student they are attending on behalf of. Event workers will mark which athletes have been checked in for. These are the only 2 that will be allowed to enter for that athlete.
- Visiting parents will then be asked to “screen in”, acknowledging district protocols for Covid-19, as well as provide a contact phone number. The number will be used ONLY in the event that Contact Tracing becomes necessary.
- When possible, there will be designated separate seating areas for home and visiting fans.

Each event venue (Memorial Stadium, Pride Field, Seibel Soccer Fields, HS or MS Gyms) will have their own specific requirements. Please refer to the complete [GFPS Athletic Facility Management Document](#) for specific information or contact the GFPS Athletic Department at 268-6083.
